# Switzerland

- **Switzerland is located in the heart of the green continent. The country has three distinct geographical regions: the Alps, the Central Plateau, and the Jura. The country has an amazing diversity of landscapes and habitats that make it a very attractive place to live and do business. Switzerland is a small mountainous country. This landlocked country is almost as big as the central province of Iran and is located between France and Italy. The country also shares borders with Austria, Germany and Liechtenstein.**

# HISTORY OF SWITZERLAND

Located in the center of Europe, Switzerland is similar to its neighbors not only geographically, but also in its historical development. The territory of present-day Switzerland was part of the Roman Empire and was shaped in the early Middle Ages by Christianity, migration flows and the rule of various foreign powers. In the late Middle Ages, the old Swiss confederation, before today's Switzerland, was gradually formed.

# Switzerland weather

In general, the climate of Switzerland can be considered moderate

**Spring:** In the first half of spring you experience mostly cold days, but in the second half you have many sunny days with warm weather

**Summer:** Switzerland is hot and rainy

**Fall:** Brings the heat of summer and longer daylight across the country.

**Winter:** Switzerland is very cold and snowy

**Summer is a relatively humid season and Switzerland's "tourist season" is in summer.**

# Swiss economy

- **Switzerland has one of the highest levels of GDP per capita in the world**
- **The European Union is Switzerland's main trading partner.**
- **Switzerland has the second highest GDP per capita in the world**
- **Approximately 74% of Switzerland's GDP is generated by the service sector and 25% by industry.**
- **Switzerland has the lowest VAT rate in Europe**
- **VAT is payable on most goods and services.**

# Living in Switzerland

- The cost of living in this country is high
- Residents of Switzerland pay a significant percentage of their monthly salary just to live in this country.
- Switzerland is known as the "Confederation of Cantons".
- In Switzerland, the cantons have a lot of power over their individual laws, which makes each canton slightly different from the others.
